Unisity provides new undergraduate applicants, a platform to find the information needed to further their studies by uniting all Malaysia public universities' information in a website

### 1. GROUP CONTRIBUTIONS

The team has prepared 9 web pages for the progress presentation as shown in Table 1. At the moment, videos, pictures and list of universities in some pages are limited and more content will be added.

## 2. FUTURE ENHANCEMENTS

Contributions are shown in Table 1

Team Member	Contribution	Future Enhancements
Nurul Handani	Pages: Home, FAQ, News  Web elements: Navigation bar, Footer, Logo, Banner, Slideshow, Grid (Flex and Grid)	<ul style="list-style-type: none"><li>• Include search function in homepage</li><li>• Add more text-content in homepage</li><li>• Automate slideshow preview</li><li>• Add “subscribe to newsletter” button and pop a modal element using bootstrap</li><li>• Sort FAQ question using accordion</li></ul>
Wan Maisarah	Pages: Universities, Life on Campus, Gallery, Letters  Web elements: Button, Horizontal slider, Grid, Video	<ul style="list-style-type: none"><li>• Add functional arrow at both ends of the horizontal slider</li><li>• Illustrate states using an interactive map</li><li>• Display universities based on states using JavaScript</li><li>• Add pages element to fit more videos</li><li>• Add gallery for every university</li><li>• Selected image zoom when clicked</li></ul>
Hazirah Haris	Pages: Programmes, Contact Us  Web elements: Button, Grid, Widget, Accordion	<ul style="list-style-type: none"><li>• Clickable button</li><li>• To have a better interface for the accordion</li><li>• “Filter By” for programmes and universities are working</li><li>• Programmes that have been chosen not will be fixed to one programme only</li></ul>
